Ted & Anna,

I'm thrilled, grateful & honored to have you both in my most inner circle of this wild ride called life!

I'd like to schedule a call to formally introduce you to the other, as well as discuss the projects I'm working on with each of you & how I believe you can help connect all of them to create a mega force of incredible impact for our Service Members resulting in stronger national security.

A little brief background why it's important the 3 of us work together...

From the time we met at VIE Conference in DC where Ted Carter was a keynote, I knew I needed his support for my mission. Being a very accomplished Navy pilot & Nuke, I approached him asking for mentorship for Angelo as he entered the Navy & to cohost my podcast with me. He very graciously & enthusiastically said yes & we've been fast friends ever since! As if that wasn't enough, Ted's been the unrelenting cheerleader who has understood my vision energizing me to realize my own power & potential. He's also been an incredible resource of knowledge, important relationships & OSU's support in total of the podcast's mission!

Now enter Anna Lloyd...

Just as wonderfully unexpected & very needed, Anna Lloyd entered my world when Scott Mann commented on her post about how she helped a very brave, but frightened family on her flight. Her smile, huge heart, care, a retired United States Marine & strength peeked my curiosity so I asked to schedule a call to cohost the podcast & learn more about her. Within the first 5 minutes of the call, Anna launched the conversation with she believes the work for my mission is important enough to take to the Joint Chiefs of Staff to have it imbedded in the military transition process then to the VA's as well. I instantly started crying. Without me saying a word, she verbalized my ultimate goal AND is the one who can get it done!

Anna & I are now actively working on our formal business partnership to be a Woman Veteran Owned POWERhouse!

I'm confident after we work through prioritizing, connecting & executing each of our projects - particularly The Callout-OSU-Camp Freedom cert program which Anna believes she can help expedite...you two will expand on everything further than I ever knew possible or could've alone.

When might work for a call in the next week or two if possible?

Krisanthe/Anna,

Thank you for the note via Gmail. Moving this to my osu email so my scheduling team can coordinate a time for a virtual meeting. The work with Camp Freedom and Veterans academic programs is a very exciting conversation not to mention the work in power utilities.

Sporting events are going to keep me occupied till sometime around 7 Jan. Hope we can schedule something around 7 or 8 Jan.

Happy 2025!

Ted Carter

Good afternoon, Brian,

President Carter is available and would like to accept your invitation to be a guest speaker at the banquet on May 17. I am moving President Carter to BCC and adding his executive administrator, DiAnn Hamilton, as we work through next steps. Can you share answers to the following questions as we navigate logistics?

1. Will there be any engagements the day before?
2. What time will he need to report for the banquet?
3. How long will he need to speak during the banquet and do you need to review his remarks in advance?
4. Do you coordinate accommodations and travel or have recommendations?

Thank you,
Hannah

Good afternoon, President Carter,

We have the pleasure of working with Krisanthe Vlahos in supporting Veterans working in the power utility industry, more specifically with electric cooperatives. I'm blessed to represent 16 electric cooperatives in Virginia, Maryland and Delaware, and we host the Gaff-n-Go Lineworker Rodeo each year <https://www.gaff-n-go.com/>. The event continues to grow as we have teams from all over the country that participate, including some from the military. After two full days of competition the event wraps up with an awards banquet, where we like to feature a guest speaker.

This email is to ask if you would consider being our guest speaker at this year's banquet. It is going to be held on Saturday, May 17th at the Greater Richmond Convention Center in Virginia from approximately 6:00pm – 9:00pm. We would be honored if you were able to join us and over 1000 of our lineworkers and friends.

Please let us know if this is something you would be interested in and could work into your busy schedule.

Best Regards,
Brian

Ted,

Paul Hylenski's software will be the engine for the app I'm developing.

With the OSU initiative launching the same time with the...

Certification program I'm leading with OSU Online Learning Department,

The Callout App connecting Veterans with utility industry careers/workforce development...

Plus last weeks events we were present with JobsOhio & Anduril & Wright-Patterson leadership with whom we're scheduling The Callout Podcast episodes,

In conjunction with workforce development events at NVMM for each of those corps....

It seems we have much more than just Vet Mentor AI to discuss with Paul. (btw - Vet Mentor AI will be accessible thru The Callout App)

When might your schedule allow for a 30-45 minute call for the 3 of us?

Kindest regards,
Krisanthe

Good Afternoon President Carter,

I'm following up regarding our conversation about how I believe JobsOhio & Anduril can be instrumental in The Callout's mission -

To connect transitioning Military & Veterans directly to utility industry careers to strengthen national security.

I was honored & thrilled to be included by JP in last week's events hosted by JobsOhio. As a result, I've the great pleasure of connecting with Zach Mears, Anduril Industries SVP-Strategy & Growth.

With The Callout's podcast, workforce development events at NVMM & app ready for MVP demo & beta testing in a couple weeks - the timing of the past week's events is incredible!

Since DiAnn is out at the moment, I wasn't sure if Alexis would be best to copy to help.

Would it be possible to find 30 minutes for you, JP, Zach & myself to discuss a possible joint forces Ohio collaboration to lead the national mission?

Zach & Kimberly -

I see we're getting out of office responses from both Alexis & DiAnn.

Please be assured I'll get the schedule change directly to President Carter's handlers asap.

Good morning, everyone.

My apologies, but I have a customer call request that is now at the same time as our planned call this morning. [@Kimberly Bender](#) can work with you all to find an alternative time soon.

President Carter, it was good to see you earlier this week.

In the meantime, I hope you all have a good weekend.

Best,

Zach

Good Morning Alexis and DiAnn

It seems everyone's schedules, including WOSU's, is completely overloaded on Wednesday 8/20.

Can we please push the recording to the following Wednesday, 8/27 from 9:30-12pm?

Good Afternoon DiAnn & Alexis,

Chris asked I coordinate with President Carter's office to schedule a 30-45 minute time sensitive meeting. It'll be a remote meeting. I'll send out the calendar event with the link. Chris & I will work around President Carter's schedule.

Can you please help identify possible dates & times?

Good Afternoon Zach,

I have copied President Carter for meeting coordination purposes.

The app's wireframe is ready to demo. Paul, my software developer who is a retired Marine, will run the demo. After we meet, we can have the beta test buildout and marketing campaign ready in 2-3 weeks.

I believe marketing is about values. In this complicated noisy world, I want to be very clear about what we're doing with this mobile app's mission.

We're honoring great Americans. We're honoring their sacrifices to protect and defend our country. This is what we're about and this is what we will do with this Veteran workforce development tool.

I don't believe we need to spend a fortune on marketing. I believe people with passion can change the world for the better. I am about to work with people like this who have done it - our Veterans.

I have a **national network of Veteran influencers** who are ready and willing to promote this mobile app to their combined millions of social media followers. In order to accomplish the mission of serving those who served us, we need to invest in the future. The future our Veterans defended with their lives.

The brief deck attached provides a high level overview of how Anduril and Ohio State University can join forces to create this future for Veterans powered by AI technology. OSU has been an invaluable support of this mission for our Veterans. Anduril's support would also be greatly appreciated.

The estimated remaining 2025 operations and marketing budget for AI mobile app (\$50K), The Callout Podcast (\$72K) and workforce development events (\$37K) is \$159K.

I'd appreciate it if we could please look at dates in the near future to meet to allow ample time to prepare for the *1st annual drone competition at The International Lineman's Rodeo* in October in Overland Park, KS.

The Callout Podcast is the sponsor for the drone competition, ***OSU drone pilots are competing, President Carter is a judge*** and Chris Kabourek (OSU Sr. VP of Administration & Planning) is attending. Utility companies, contractors and supply chain from the United States, Canada, Puerto Rico, UK and more will be competing, as well as have booths for the business expo.

6,000+ industry professionals with their families will attend.

Attached is an NDA which will allow us to share information regarding the AI tech. We could meet in President Carter's office, your office or virtually.

Could we please look at dates to discuss the demo, the budget and ***Anduril's participation in the Rodeo with a drone pilot?***

Subject: DRAFT FOR APPROVAL: 10/16-19/25 KS Travel Plan

Good afternoon,

Below is a draft travel plan for your review for Kansas travel 10/16-19 based on your engagement at the last rodeo. - b. 10/17 12-3pm Drone Rodeo at Rodeo Grounds Ag Hall of Fame, Bonner Springs & 6-10pm Barbecue and Trade Night
- c. 10/18 7a-10pm Opening Ceremony & Rodeo Competition Begins & Awards Banquet

request approval of this anticipated expense. May I use your electronic signature and resubmit?

Hi Krisanthe – I have not heard from Chris or Rob. I would be happy to send the calendar invite, but also defer to you since this is your meeting. Once you have coordinated with Chris and Rob I am happy to bring all the pieces into one spot and provide the parking and security details for coming to JobsOhio.

Just let me know how you would like to proceed - cheers!

Good Morning Alyssa -

Hope you had a wonderful Thanksgiving!

I communicated with Maria this morning who said General Harris is confirmed for next Wednesday 12-1pmEST at JobsOhio headquarters.

Paul, Matt & I are confirmed too.

Are Chris Kabourek & Rob Lowden confirmed for OSU?

Will the calendar event invite come from JobsOhio?
