Date: Wednesday, October 29, 2025 7:56:49 PM

Dear Provost Bellamkonda,

Our Google friends are telling me that Student Veterans of America is convening an intimate dinner on Nov 17, the night before our meeting with Google. President Carter is confirmed to attend since he's on their board,

Hi Tim,

Perfect! I will ask that they copy you as well. The invite must not have gone out yet, as I haven't received it either.

Thank you,

Luiza

Hi, Luiza:

Do you know who will be sending the invitation and if they have my email address? We haven't received an invitation to date, but I'll be on the lookout. Provost Bellamkonda is available to attend, but it would be helpful to also know the location.

Thank you,

Hi Tim,

The Google team that's coming to campus on Nov 18 is working with the Student Veterans of American on organizing an intimate dinner on Nov 17. President Carter is confirmed (he's on SVA board). Google is providing names of other OSU leaders they'd like to be invited. Provost Bellamkonda will receive this invite - if at all possible, it would be phenomenal if he could make it. Google leaders in attendance will include Lisa Gevelber and Brad Hoffman - both key individuals working with us on the partnership.

Please be on the lookout for the invite and let me know if the provost is already booked for dinner, as that will impact who we include on the invite list from OSU.

Thank you!

Hello everyone,

I'm looking forward to bringing everyone together while we're all in Columbus for the roundtables on AI and state policy impacting student veterans. This dinner will be a relaxed opportunity to connect, share perspectives, and continue the great conversations that are shaping our collective work.

Please see your invitation below for full details. If you or your EA (copied) could kindly reply all to confirm your attendance by **Friday, November 14** and include any **dietary restrictions** we should note, I would appreciate it.

I'm grateful for your continued partnership and look forward to an enjoyable and meaningful evening together.

Respectfully,

Hello everyone,

I'm looking forward to bringing everyone together while we're all in Columbus for the

roundtables on AI and state policy impacting student veterans. This dinner will be a relaxed opportunity to connect, share perspectives, and continue the great conversations that are shaping our collective work.

Please see your invitation below for full details. If you or your EA (copied) could kindly reply all to confirm your attendance by **Friday, November 14** and include any **dietary restrictions** we should note, I would appreciate it.

I'm grateful for your continued partnership and look forward to an enjoyable and meaningful evening together.

Respectfully,

-Jared

Hi Luiza,

Hope all is well your way! My house is full of sickness and dropping like flies, I hope it misses me this round

I wanted to provide a quick update for both the Google dinner expense report and Patty's requisition.

Google dinner with President- This is held up in the removal of sales tax. I have been in touch with Butcher and Rose for removal, I followed up again this afternoon and was assured this should be complete in just a couple of days.

Patty's Req- Lori and I got word today that one of the forms Patty filled out, needed to be filled out by OSU. We are working to correct this ASAP. Hopefully, we can wrap this up before the holiday break.

Kindly,

FYI, we need to make sure there is an expense report for all transactions on my PCard. I'll be sharing these statements as I receive them so you can double check that we're not missing anything.

Thank you!

Hiiii I wanted to quickly touch base and let you know that the team is so excited to join for the vision session. As mentioned student veterans of America is convening people for a small intimate dinner the night before. President Carter is on SVA board and he will join too. They are working thru others to invite. I assume the relationship with president Carter and CIO ravi is very strong?

My reco of course would be to invite Ravi but wanted to side bar with you

Wed, Oct 29 at 6:46 PM

Hiiiiii just wanted to bump this

Thanks - I agree that inviting both makes sense. No guarantee that he's able to make it but I'll do some back channeling to prioritize this dinner

Thank you so much! President Carter is confirmed. I'll start getting details for sva so they know who to invite from osu

Thank you again!!

Of course! We had a planning call today with the full line-up of speakers and we are excited for Nov 18!

Do you know who from Google will be at the sea dinner? It may help my case to prioritize if I can at least mention 1-2 names. Lisa, I'm assuming?

Fri, Oct 31 at 11:19 AM

I am so sorry for the delay!! Been so crazy this week!! Lisa is confirmed so far and she is ensuring the most senior members of the google team are also there. I had to send the full list of googlers on Thursday so I expect her to come back with her recos soon and then I'll text you!!!

Thank you - that helps me! I am doing my best to make sure the provost can be there. Thanks for the partnership and transparency!

Thank you - that helps me! I am doing my best to make sure the provost can be there. Thanks for the partnership and transparency!

You are the best!!! Thank you so much! As soon as I hear, I will text you asap!!!

Thank you! I was disappointed though that you're not on the list of attendees, but it's ok, we'll make up for it another time

Hahaha yes we will!!! ❤️❤️ Caroline Levens who is our edu lead on the grow with Google team reports up to me, so you are in good hands with Lisa and Caroline at least

Oh I can't wait to meet Caroline in person and to spend some generative time with Lisa!!!

Thu, Nov 6 at 12:44 AM

Hi luiza, coming back to you. The google folks will be Lisa and Brad Hoffman OR Matt Schneider. For OSU, president Carter is confirmed. I'd like to invite Ravi and Rob. I also have you on the list? It's going to Lisa tomorrow for review. Anyone else from OSU? Other attendees include Jared Lyons, president & CEO of SVA and Elizabeth O'Brien, SVP programs and events at US chamber//hiring our heroes. We also received a request from president Carter to include a plus one - Krisanthe Viachos, mother of a US Navy Sailor, creator producer of THE CALLOUT podcast

Please let me know your thoughts on OSU attendees thanks so much

Thu, Nov 6 at 9:40 AM

Hi Bronagh! Definitely me and Ravi, as well as Trevor Brown. let me think about others and get back to you today

Thu, Nov 6 at 3:21 PM

Hi Bronagh! More on this. The provost is available to attend the dinner (yay!). Please have them send the invite to his assistant, Tim Andersen, who will be on the lookout for it: andersen.142@osu.edu

Others to invite include me, Trevor Brown (brown.2296@osu.edu), Chris

Others to invite include me, Trevor Brown (brown.2296@osu.edu), Chris Kabourek (kabourek.2@osu.edu) and Rob Lowden (lowden.1@osu.edu)

Fri, Nov 7 at 3:50 PM

Luiza I want to make sure I'm tracking on all - 1) luiza 2) Ravi 3) Rob 4) Trevor 5) Chris and ofc the President

Are we tracking on the same list?

That's correct! 👍

Yay!!!! Roger I'm on it

Mon, Nov 10 at 4:51 PM

Luiza qq from Student Veterans of America - they asked me if president Carter knows OSU leadership folks will join or should SVA give him a heads up?

So far we have not received the dinner invites. The provost received an invite to the Ohio Roundtable on Student Veteran Success, which is 2 to 4 pm on Nov 18

They are about to send but didn't want the president to be blindsided

Do they need to tell president Carter or does he anticipate OSU folks to join the dinner

📍 No, we will communicate (I'd imagine that he already knows) but thanks for raising this. We'll make sure he knows!

Ok so it's ok to send the invite this evening?

In the interest of time

Would be great to get it out

Would be great to get it out

Yes, abso

Absolutely!

On it!!!

📍 Thank you!!

📍 Got the invite - thank you!
