

What an Honor!

Today we had the privilege of hosting President Ted "Slapstick" Carter, President of The Ohio State University, at Lineman Ranch, home of the International Lineman Museum & Hall of Fame and the Fallen Lineman Organization.

President Carter's remarkable career includes serving as a Top Gun pilot, Top Gun trainer, and still holding the record for the most landings on an aircraft carrier. His leadership, service, and dedication to excellence inspire us all.

It was truly an honor for Amanda and me to welcome him to The Ranch today and share with him our mission of honoring linemen, preserving history, and glorifying God.
