Yes. This is Krisanthe Vlachos - Callout Podcast. TC has been on before - I think via Zoom. My team wasn't involved. She connects veterans with electric utility jobs. She has relocated to Columbus, and TC told me he agreed to host a panel style podcast on 12/16. TC wants to record it somewhere that looks cool in Page Hall. Joe and Aaron will record it, because TC is involved. Joe is off today, but he'll reach out to Glenn early next week and figure out what space works best.

FYI Callout Podcast hold is actually for the morning of 12/16. I'm going to wait for Camoriano to confirm before I reschedule that morning. I'm not well-versed with Page Hall, so I'm going to go over with Scott around lunch to walk around and see the area.

I do not

Mark may remember when her appt is though. He was the one who set it up for her

FYI on some follow up I just shared with scheduling team 😊

President confirmed in daily brief that they are not going to Pensacola for personal travel April 22-24. He will likely repurpose this time for board meeting (4/25) prep and campaign celebration rehearsal. No need to put a hold on calendar, but I would avoid adding too much there.

He also confirmed he will go to the Rodeo solo May 15 (mid-afternoon flight) to May 18. I will be looping DiAnn in with Krisanthe to coordinate and start spend authorization since TC said this is now business travel. (Lynda still plans to go to Oregon solo.)

When I asked if there were other travel opportunities as he alluded to yesterday during scheduling meeting, he said there are not any others top of mind he is aware of.

I checked w/TC this morning regarding the itinerary for Richmond. Krisanthe will be his dedicated handler and responsible for getting him everywhere he needs to go, so he said leaving the calendar open would work for his purposes. For our purposes, are all day 8am-6pm blocks acceptable?

"Cunningham, Alexis" <cunningham.800@osu.edu> 6/18/2025 5:30 PM

FYI I just noticed this hold on his calendar Krisanthe sent. This is related to the meeting TC asked me to schedule with Krisanthe, JP Nauseef, and Zach Mears while DiAnn was out. I have no other details on this event

That was the one with Krisanthe, JP, and Zach that TC requested. It evolved into an in person meeting at JobsOhio

Krisanthe is coming to meet w/TC and he asked me to ask Scott to escort her upstairs before his 3:15pm

"Hamilton, DiAnn" <hamilton.1600@osu.edu> 7/9/2025 1:55 PM

Hi. Alyssa Hardenburgh just reached out to me to find out some additional information regarding the "AI for Veteran Workforce Development Discussion" scheduled tomorrow. JP is not entirely sure how to best prepare for this meeting & was hoping to find out President Carter's "ideal outcome" so he has the appropriate information available. I searched my emails, Teams chats and the briefing spreadsheet, as well as the box folder and calendar invite and don't see anything that helps me understand. I am happy to reach out to TC or Krisanthe if that is appropriate, but thought I should check with you both first.

"Bechtold, Hannah" <bechtold.25@osu.edu> 7/9/2025 2:47 PM

Just forwarded you the email Krisanthe originally sent to TC and JP to set up

"Bechtold, Hannah" <bechtold.25@osu.edu> 8/1/2025 2:52 PM

Scott is running down to grab Krisanthe to bring her up to meet with President Carter for about 15 minutes

Krisanthe reached out to me and Alexis to move the Podcast from 8/20 to 8/27 and sent meeting invites to me and TC for 8/27 from 9:30am-12pm. There isn't a hold on his calendar on this date, but it does appear to work, as long as he is back by noon to attend the monthly Big Ten COP/C meeting. I haven't been involved with scheduling this, so just checking to see if either of you have more information &/or to see if I should let her know that Alexis will be back to her when she returns (or some other next step 😊 )

"Cunningham, Alexis" <cunningham.800@osu.edu> 8/14/2025 12:21 PM

Also, Krisanthe messaged asking for a time-sensitive meeting w/TC and Chris Kabourek. They were both copied on it but haven't responded. Think I can just expedite and ask him about it today?

"Cunningham, Alexis" <cunningham.800@osu.edu> 8/14/2025 12:46 PM

Just an FYI there were two separate requests from Krisanthe. Both for TC and Chris Kabourek

"Bechtold, Hannah" <bechtold.25@osu.edu> 8/14/2025 8:15 PM

Who included JR in Krisanthe meeting?

"Cunningham, Alexis" <cunningham.800@osu.edu> 8/15/2025 12:11 PM

Morning! I'm using JR's schedule as a scapegoat for getting this Krisanthe meeting shortened to 30 minutes as TC requested lol.

"Cunningham, Alexis" <cunningham.800@osu.edu> 8/20/2025 4:44 PM

Hi, friend! For your awareness while you're covering the OTP desk that President Carter has a meeting at 1:30pm with Krisanthe Vlahos and Chris Kabourek is joining. Can you send me a message when they both arrive?

Let him know we're still waiting for Zach and he again reiterated that he would do it this afternoon, even after he's done with his 4:00pm. I don't believe Zach is even available but keeping you in the loop

Would you be able to meet Oct. 2 from 4-5:30?

"Ward, Tara" <ward.1814@osu.edu> 9/25/2025 6:26 PM

nothing on your schedule conflicts with it

"Cullen, Kevin" <cullen.127@osu.edu> 9/25/2025 6:27 PM

Yes of course! In most cases, I'll move anything on my calendar to meet on anything Jill Toft is coordinating...thank you!

"Ward, Tara" <ward.1814@osu.edu> 9/25/2025 6:33 PM

I just let her know. And good to know! So I can get more calendaring notes like this for you, what do you say to a 1:1 meeting on Monday at 9? I could also do a variety of other times next week but I would definitely like to meet 1:1 sometime Sept. 29-Oct. 3

"Cullen, Kevin" <cullen.127@osu.edu> 9/25/2025 6:34 PM

"Ward, Tara" <ward.1814@osu.edu> 11/21/2025 3:46 PM

meeting alert: Krisanthe Vlahos sent a meeting request for today at 2pm at your office. I can see neither of us accepted it so I wanted to reach out. Just give me a thumbs up if you are aware otherwise, let me know if you want me to reschedule it.

"Cullen, Kevin" <cullen.127@osu.edu> 11/21/2025 3:47 PM

I'm good with it...thanks!
