Hi Krisanthe,

I'm moving President Carter and Chris to BCC while we coordinate. We are hoping this can take place in President Carter's office sometime between 1:30-5:00pm next Wednesday, August 20. Are you available?

+Jill Toft for JR Blackburn's availability as we're hoping he'll be available to join.

Thank you,
Alexis

Good morning President Carter & Chris,

I have a proposal I'd appreciate the opportunity to present to you.

It pulls together all the different areas we've been discussing & more.

Would you be open to trying to find time to schedule a 30 minute in person meeting next week - if possible?

Grateful U.S. Navy Nuke Mom

Hi Krisanthe,

Chris and JR are available to meet in person, although they both have hard stops at 1:45 pm. I reserved conference room 3157 University Square South (we don't have a 5th floor conference room available). I reserved it for 12:30 pm in case you want to arrive early and make sure you can log into the web browser.

Let me know if anyone else will be joining you in person. I will need to submit names to our security team.

Would you like me to send the calendar invite? If so, please provide the email address for your software developer.

Good Morning Gentlemen

Thank you so much for your time so quickly and great questions yesterday!

I know you still have more questions about the tech, advantages we can afford OSU while leading a national collaboration of founding members and how we'll reach the Veterans.

I have a detailed multifaceted plan for every piece of the tech and marketing for this critical mission.

The game changer of my approach is the technology endorsed by the power of a national network of Veteran influencers with social media following in the millions, their own podcasts, authors, speakers AND...

Many of them transitioned in past 10 years or less bringing the demographic we're targeting.

Can we please find another slot to launch next steps while working thru all the above... along with Paul to support the tech part?

Subject: Meeting Request to discuss App Opportunity for Military/Veterans

Dear Norm and Kevin,

I hope that you both are enjoying the start of the fall semester. I am writing to request a meeting with the two of you that would include Chris Kabourek and me.

Recently, we have been connecting with Krisanthe Vlahos (The Callout Podcast) on an opportunity that she has shared with the President and others. I am not sure if you are aware of this from your previous interactions with her but, we would like to ask for some time with you to talk to gain your perspectives on how or if this fits into veterans and military program/strategy at Ohio State.

I am going to ask my team to take the lead to review times for us next week. If we can make it happen, I think it would be great for us to come to Converse Hall, Chris hasn't had a chance to visit your location yet. If timing doesn't allow for us to come to you, we may ask you join us.

Meeting Topic: Veteran/Military Opportunity: Application Development

Duration: 1-hour

Location: In-person / TBD

Please let our team know who we can work with to review your schedules.

Best,

JR

Colleagues,

During last week's State of the University Address, I know that we all heard President Carter's charge to be a top school for military/ROTC and veterans. As part of our strategic plan, he outlined a bold goal to significantly grow our veteran-served population over the next decade.

In support of this vision, I want to acknowledge the thoughtful conversations that have taken place over the past several months and thank the team for establishing a new working group dedicated to this effort. I'm also grateful to be joining the strategic advisory group alongside Chris as we work together to shape this important initiative.

As part of this effort, we would like to share an opportunity that could provide additional support in this endeavor. Over the past several months, Krisanthe Vlahos has been in engaging efforts to support our military and veteran populations. Currently, she produces a podcast (The Callout Podcast) at WOSU and the President has been a guest for a couple of those segments. She is developing an APP to help veterans navigate several complex issues they face in obtaining employment and seeking healthcare/VA benefits access.

Krisanthe has expressed interest in presenting her work and exploring how it might align with our strategic goals. I've asked Jill Toft from my office to coordinate a time for our group to meet with Krisanthe. I recommend we allocate 30–45 minutes for her presentation, followed by 30 minutes for discussion and debrief by our group.

Once we've identified a time, I'll ask Chris to connect with Krisanthe to confirm the details.

Please don't hesitate to reach out with any questions. Thank you in advance for your

engagement and support.

Best,

I'm also grateful to be joining the strategic advisory group alongside Chris as we work together to shape this important initiative.

As part of this effort, we would like to share an opportunity that could provide additional support in this endeavor. Over the past several months, Krisanthe Vlahos has been in engaging efforts to support our military and veteran populations. Currently, she produces a podcast (The Callout Podcast) at WOSU and the President has been a guest for a couple of those segments. She is developing an APP to help veterans navigate several complex issues they face in obtaining employment and seeking healthcare/VA benefits access.

Krisanthe has expressed interest in presenting her work and exploring how it might align with our strategic goals. I've asked Jill Toft from my office to coordinate a time for our group to meet with Krisanthe. I recommend we allocate 30–45 minutes for her presentation, followed by 30 minutes for discussion and debrief by our group.

Once we've identified a time, I'll ask Chris to connect with Krisanthe to confirm the details.

Please don't hesitate to reach out with any questions. Thank you in advance for your engagement and support.

Best,
JR

Good morning, Krisanthe,

I am assisting JR Blackburn in preparing an agenda and setting up logistics for Thursday afternoon's meeting. I have a few questions which will help me make sure to have everything prepared and ready to go.

1. Is there a title for your presentation that you'd like me to include on the agenda?
2. Will you have slides to project? (If so, please bring a laptop to plug into the a/v system in the conference room so we can project any slides or materials.)
3. Are there any materials or pre-reads you'd like for us to send out?

I will plan to meet you downstairs in the lobby of University Square South 20 minutes prior to the meeting, so I can direct you to the conference room and we can get your presentation set up and prepared. My cell number is [REDACTED] if you need to contact me for any reason.

Best,

Good morning, Krisanthe,

The OSU IT experts are already scheduled to come 30 minutes early, but I will reach out and ask them to bring an OSU laptop as well.

I'm happy to meet you 30 minutes early in the lobby and will update the just-sent invite to reflect that new time.

Thanks,

Good Morning Jill

The last time I presented at a conference room which Crystal helped setup for me, I arrived 30 minutes early.

She had an OSU laptop & OSU IT expert on hand to assist & it still took the whole 30 minutes to log into the system to access browser.

What I plan to use during our meeting is all web based.

Would it be possible to have an OSU laptop & expert tomorrow to ensure compatibility & to meet you 30 minutes before the meeting?

Good morning, Alexis,

I'm reaching out for your guidance regarding a request we've received from Kristine Vlahos (a friend of President Carter) to support the International Lineman's Rodeo in Kansas City later this month. Our expected role would be to judge a drone competition associated with the event.

Until recently, we had very little information about the scope or purpose of our involvement. This type of event - particularly one hosted by labor unions and located far outside Ohio - is not something we would typically support, as it doesn't clearly align with Ohio State's strategic priorities or visibility goals.

There has been frequent mention of President Carter's name in connection with the request, which adds a layer of complexity.

Could you share your thoughts on whether our participation would meaningfully contribute to broader university objectives—or if a polite decline would be more appropriate?

Best regards,

Blake

Chris - thank you for the engagement & coordination. I've added my software developer/CIO Paul Hylenski to follow along for dates and times.

After Crystal provides the OSU team's availability, Paul & I will do our best to accommodate dates offered.

Crystal,

My meeting just before our OSU leadership meeting has been shifted to start 30 minutes later

causing a domino effect.

Please thank everyone for their patience and understanding. Thank you for your assistance too!

If the December 11 meeting slot is still open, can we reschedule to that date?
