Hi Phil,

Thanks for the quick response. I had not sent anything yet. I've created a new deck which warrants a live conversation along with the demo.

I'm unclear what is meant by

"We want to look at things and our involvement one initiative at a time and to discuss internally."

The podcast, workforce development events & app are together as part of a comprehensive marketing approach.

Hi Phil -

I have 3 categories of information I'm assembling for your review : The Callout Podcast, Veteran workforce development events & my app.

I plan to have it streamlined for your review by Wednesday.

Not sure if you or Alyssa saw Kimberly with Anduril's response for meeting availability.

Zach Mears of Anduril is available virtually Friday morning 9:30-10:15amEST.

Would you be to help with the following questions?

Do we know if JP is available Friday?

If yes, I'll send out the calendar event.

President Carter - The Callout Podcast
Wednesday, Aug. 20 from 3-5pmEST
In person at WOSU studios.

(I've reached out to Stacia Naquin - WBNS 10tv to join/cover The Callout Podcast on Aug. 20. I'm waiting on response.)

Would JP be available to join President Carter & myself as a national SME for Veteran Workforce

Development to discuss the multitude of ways JobsOhio is an ongoing leader in this mission for Veterans & national security?

Krisanthe

Good morning Alyssa, Phil & Kimberly!

I worked through some thoughts with Alexis this morning. She was kind enough to go back into President Carter's schedule to look for dates to he could join remotely.

I'd like to offer....

we can have a great meeting whether we have everyone remotely, in person or a hybrid.

The priority is our gathering, sooner than later if possible, to support a significant Veterans Workforce Development project.

Alexis has offered the following availability for President Carter.

this Thursday, July 31:

President Carter has flexibility between 3:15-5:00pm.

this Friday, Aug. 1:

President Carter has a lot more flexibility.

He's available anytime that day -

EXCEPT 11:30-1:30pm

Can any of the above days & times work for JP & Zach for a 45 minute meeting - either in person

or remotely?

Thank you for everyone's prompt responses & support.

Good morning,

Moving President Carter, JP, and Zach off while we coordinate scheduling. Due to several pieces of travel and prior commitments over the next few weeks, he will be soonest available on Thursday, August 21. He could do either 2:00-2:45pm or 3:45-4:30pm that afternoon. Does this work for others?

Thank you,

Alexis

Zach, JP & President Carter -

I have a comprehensive marketing plan with budgets & demo for your review.

I've also added one more highly secure piece of tech - not previously included in our last conversations - which saves hundreds of thousands more of talent acquisition, employee onboarding & retention costs.

I'd appreciate it if we could please look at calendars for a 30-45 minute slot to reconvene at JobsOhio headquarters in the next couple weeks.

If I recall correctly, I think Zach has some national then international travel over the next few weeks.

If everyone in person is not possible, perhaps in the interest of time - you'd be open to a hybrid of in person with others remotng in.

Thank you for your ongoing support and advocacy of our most valuable national security asset - our transitioning Military & Veterans!

I look forward to seeing everyone again very soon!

Kindest regards,
Krisanthe

JP,

I'd appreciate yours and JobsOhio's support for our Veteran Workforce Development efforts.

I'm promoting both service in the military and utilities. It's important our young people intentionally target serving in the military as a direct path to utility related careers.

I'm launching multiple strategic collaborations. Every podcast episode, collaboration and workforce development event promotes the State of Ohio at a national level. In order for these rockets to launch at the speed and trajectory needed for our Veterans and national security enforcement, they need a little fuel.

At all of the events noted below, I will be in attendance organizing, leading & conducting the follow up to ensure Veterans are connecting with Ohio & others for opportunities. Each event will include a well known Veteran book signing as well as other giveaways to draw Veterans.

- It would be an honor if you would co-host an episode with me to lead a fireside chat with an AEP or Anduril employee who is a Veteran. Below are clips to give you an idea of format and set.

Hi Krisanthe — we are interested in the “Callout podcast” and would like to discuss further on participation and support in that. Please send me a formal proposal / invoice and we can work on getting things moving there. We will need to work closely with Alyssa on scheduling for JP.

We would like to start there as we work internally on our 5-year strategic plan.

Best,

Phil

Good morning Phil

Tomorrow I have an 1.5 hour meeting with 8 top tier OSU leadership together in a conference room at OSU headquarters to discuss my Veteran Workforce Development program leading the action for President Carter’s vision.

I want to open the meeting by proudly announcing to the OSU team how JobsOhio is my primary partner to lead this critical mission.

What can I state in my meeting to confirm this is true?

Who at JobsOhio could be available to join me for part or all of this OSU meeting to celebrate the partnership?

JP,

I'd appreciate yours and JobsOhio's support for our Veteran Workforce Development efforts.

I'm promoting both service in the military and utilities. It's important our young people intentionally target serving in the military as a direct path to utility related careers.

I'm launching multiple strategic collaborations. Every podcast episode, collaboration and workforce development event promotes the State of Ohio at a national level. In order for these rockets to launch at the speed and trajectory needed for our Veterans and national security enforcement, they need a little fuel.

At all of the events noted below, I will be in attendance organizing, leading & conducting the follow up to ensure Veterans are connecting with Ohio & others for opportunities. Each event will include a well known Veteran book signing as well as other giveaways to draw Veterans.

- It would be an honor if you would co-host an episode with me to lead a fireside chat with an AEP or Anduril employee who is a Veteran. Below are clips to give you an idea of format and set.

Collaborations - 10TV and Ohio ROTC/National Guard

1. **10TV: 2 part story** with a 10tv anchor highlighting the critical need for Veterans in the utility industries, the work of the podcast, the workforce development events and the app. The collaborating anchor will also cohost an episode with me.

2. **ROTC/National Guard: Ongoing series** within the podcast with the State of Ohio ROTC/National Guard promoting the benefits behind - "**Why Serve**". We will kick the series off with **General Woodruff and President Carter** together in an episode. I'd appreciate it if you'd consider joining that episode as well.

3. OSU is a perpetual collaborative partnership through their Military and Veteran Services Department.

4. Collaborative partnerships with community colleges near bases or high Veteran populations with workforce development programs- Lake Sumter CC in FL, Carolina Coastal CC in SC, Cape Fear CC in NC, Metropolitan CC in KC

I have 3 parts to the total effort. Each reinforces the other. The podcast, workforce development events & the app. Each component is included in the budget outlined below.
